

Staying Connected to Loved Ones

QR-enabled memorial pages that allow families to revisit photos, videos, and memories for lasting tributes

Digital gravesite location services for easy navigation and access, wherever you are in the world

Planning Ahead

Flexible ownership options – including integration with Nyaradzo policy plans – allow you to secure your place early, reducing pressure on family and ensuring everything is already taken care of, decided, and in place.

**Life is yours to live. The
rest is ours to handle.**

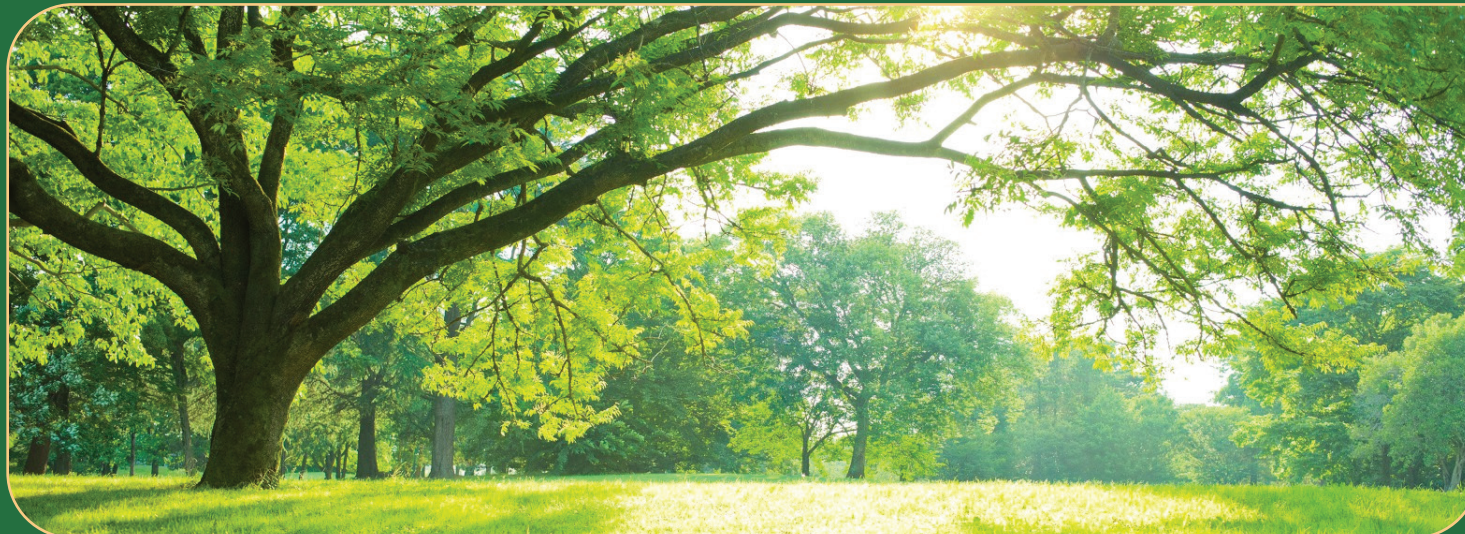

*“You live the life. We’ll
take care of where it rests.”*

Sahwira Glen Forest is a private memorial park designed for families who want a setting that is secure, well-kept, and easy to return to over time – not just to mourn, but to reflect, connect, and celebrate. Set in a serene, thoughtfully curated environment, the park stands as a living legacy destination where families can return, reflect, and feel connected years, even generations later.

Under Nyaradzo's stewardship, Glen Forest has been elevated into a fully managed, long-term memorial park with greater care and attention – not only to the day of burial, but to every visit that follows.

- ✓ Professionally maintained grounds, landscaping, and internal roads
- ✓ 24/7 security and controlled access across the park
- ✓ Introduction of digital grave location and memorial features
- ✓ On-site chapel and reception facilities for seamless arrangements
- ✓ Expanded burial and resting options, including mausoleums.
- ✓ New on-site amenities, including a gym and coffee shop, supporting longer, more comfortable visits
- ✓ A stronger focus on long-term care, continuity, and upkeep
- ✓ Dedicated on-site teams, providing professional, respectful care at all times
- ✓ Dedicated cultural and religious sections, including a fully aligned Islamic section alongside Christian and culturally attuned areas
